Dearest Central Presbyterian Worshipers,  
No matter how many times I call, the answer's always the same. You've never turned me away, nor made me feel ashamed. Central Presbyterian Church is full of angels we all know. Because without the help and understanding of all there, I wouldn't know which way to go. Thank you so much for helping me. There really does need to be more people as understanding and caring as you all. I appreciate all you've done for me more than you'll ever know. God bless each and every one of you. Sincerely, J. Francis
